**"I believe that my clients have to be comfortable with the products they invest in, so I always let them make the ultimate decisions to best suit their needs."**

Hi, I'm Dianne I've been with Westpac as an Investment Adviser since 2009 and have 17 years experience in the banking industry.

I am currently completing papers towards a Graduate Diploma of Business Studies, specialising in Personal Financial Planning.

In my spare time I enjoy walking, fishing and spending time with my family.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
