

## Johnathan Bayley

**"My focus is on understanding my clients' needs, providing advice that allows them to make informed decisions, and ensuring that they invest appropriately."**

Hi, I'm Johnathan and I've been with Westpac as an Investment Adviser since 2007. In addition to this, I have over 16 years experience in the financial services industry, including roles in business banking, financial markets and wealth management.

I have completed a Bachelor of Business Studies in Finance, a Bachelor of Property and a Diploma in Personal Financial Planning.

As a father of two young twin girls, I don't have a lot of spare time but when my children allow it, I enjoy trail running, mountain biking and kayaking.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
