

Peter Morrison-Story

“Westpac has made it a priority to have well educated and knowledgeable advisers. I have been fortunate to go through a thorough education process & have 10 years experience in the industry.”

Hi, I'm Peter and I've been with Westpac as an Investment Adviser since 1999. In addition to this, I have over 24 years working in various other roles within the banking industry.

I am a member of the Institute of Financial Advisers, I am qualified as a Certified Financial Planner^{CM} and have completed a Post Graduate Diploma in Personal Financial Planning.

In my spare time, I enjoy the many sporting activities Palmerston North has to offer. I particularly like exploring the great cycling tracks in the region.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
