"I believe in helping people make informed decisions about their future and making a difference in their lives."

Hi, I'm Shaun and I have recently joined Westpac as an Investment Adviser after working as a Financial Planner in Australia since 2007.

I have a Bachelor of Business degree and am currently completing my Masters degree in Financial Planning.

In my spare time, I enjoy playing sports, getting involved in the community and doing charity work.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
