2. To download, select the document and click **Download**.

About Import Collection payments

There are two types of **Import Collections – Sight and Term.**

- 'Sight' means that drafts are drawn for immediate payment.
- 'Term' means that drafts are drawn on a term payment basis, e.g. 30 days after sight, 90 days from bill of lading.

Sight Import Collections

- To pay a Sight Import Collection, enter the payment details in WinTrade, then approve and send to the Bank.

Term Import Collections

- Use WinTrade to advise if the Import Collection is accepted or dishonoured.
- Payment instructions can be provided **three days** before the maturity date.
- Enter the payment details in WinTrade, then approve and send to the Bank.

Sight Import Collection – Pay or Dishonour

1. Open the **Incoming Collections transaction grid**, with the **Transactions** tab displayed.
2. Select the check box for the Sight Import Collection to be paid. (The transaction must have an Issue type and a Released status.)
3. Click **Accept/pay**.

How to request Trade Finance

- Do not select the 'List of Accounts', instead click **New** in the **Advances request** table to open the **Edit advances request** panel.

The screenshot shows a table titled "Advances request". At the top left, there are three buttons: "New", "Edit", and "Delete". The "New" button is highlighted with a red box. Below the buttons is a table with the following columns: "Sequence number", "Currency", "Amount", "Days of finance", "Maturity date", and "Interest basis". The table is currently empty, with the text "No matching records found" centered below the header row.

- Select the required currency.
- Enter the finance amount.
- Enter the days of finance, or use the **Maturity date** calendar to select the end date.
- Click **Save**. The request is then shown in the **Advances request** table.

The screenshot shows a form titled "Edit advances request" with a close button (X) in the top right corner. The form contains the following fields:

- Sequence number: Input field with value "1".
- Currency: Dropdown menu with value "USD (UNITED STATES DOLLARS)".
- Amount: Input field with value "1000".
- Days of finance (optional): Input field with value "90".
- Maturity date (optional): Input field with value "D/MM/YY" and a calendar icon.
- Interest basis: Dropdown menu with value "Yield".

At the bottom of the form, there are two buttons: "Cancel" and "Save". The "Save" button is highlighted with a red box.

The screenshot shows the "Advances request" table after a new record has been saved. The "New" button is highlighted with a red box. The table now contains one record:
