

18. How do I set up Quick Accounts for my mobile app?

With Quick Accounts on the Westpac One® online banking app, you can check the balance of selected accounts and transfer money between them without having to log in.

To set up Quick Accounts:

Login to the Westpac One app on your device

1. Open the top left menu
2. Select **'Settings'**
3. Click **'Quick Access'**
4. Click **'Quick Accounts'**
5. Switch the switch to ON
6. Select the accounts you wish to view without logging in
7. Click **'Done'**.

To set up Quick Transfer:

1. Open the main menu (3 bars top left)
2. Select **'Settings'**
3. Click **'Quick Access'**
4. Click **'Quick Transfer'**
5. Switch the switch to ON
6. Select the amount of money for the quick transfer limit by sliding the bar
7. Click **'Done'**.
