

Westpac KiwiSaver Scheme

Form for withdrawal to meet tax liability or student loan obligation on foreign superannuation transfer.

September 2014

BT Funds Management (NZ) Limited is the scheme provider and Westpac New Zealand Limited is the distributor of the Westpac KiwiSaver Scheme.

Use this form to apply for an early withdrawal from the Westpac KiwiSaver Scheme. To be eligible, you must:

- have incurred a tax liability or a student loan repayment obligation, in either case, as a result of a transfer of funds from a foreign (non-Australian) superannuation scheme to a KiwiSaver scheme; and
- have proof of this tax liability or student loan repayment obligation; and
- be applying within two years of the tax liability or student loan repayment obligation being assessed by Inland Revenue.

If you need any help completing this form, please call us on 0508 WPAC KIWI (0508 972 254) or +64 9 367 3317 between 8.30am and 5.30pm Monday to Friday.

Checklist Before You Send Us This Form

- you meet the requirements to qualify for this withdrawal (see the Acknowledgements in section C over the page); and
- you have printed in dark pen and have completed ALL sections of this form; and
- you have read the important information about your withdrawal below; and
- you have attached evidence of the tax liability or student loan repayment obligation; and
- an authorised person has witnessed and signed the Statutory Declaration and you have attached a certified copy of an acceptable identity verification document. This is usually by way of either a certified copy of a New Zealand passport or New Zealand photo drivers license. For a full list of acceptable documents, please go to: www.westpac.co.nz/AML

Your withdrawal amount will be paid directly to Inland Revenue, generally within 10 business days of your withdrawal request being approved.

IMPORTANT INFORMATION ABOUT YOUR WITHDRAWAL

If your withdrawal is approved, the amount withdrawn cannot exceed:

- in respect of a tax obligation, the lesser of the tax liability incurred and your total tax liability for the relevant tax year; and
- in respect of an additional student loan repayment obligation, the amount of that additional obligation; and
- the value of your KiwiSaver account less any contributions from the government. This is because no government contributions can be included in this withdrawal.

Your withdrawal might in some cases trigger a foreign tax liability and accordingly, we recommend you seek independent tax advice.
