

# Westpac KiwiSaver Scheme Retirement Withdrawal Form for Australian-sourced Funds

December 2015

BT Funds Management (NZ) Limited is the scheme provider and Westpac New Zealand Limited is the distributor of the Westpac KiwiSaver Scheme.

## Australian-sourced Funds

Use this form if you want to make a withdrawal of funds you have transferred from an Australian complying superannuation scheme to the Westpac KiwiSaver Scheme ('Australian-sourced Funds').

These funds are subject to some different rules to the rest of your KiwiSaver savings so please check that you qualify and that you understand the important information below before you apply.

### Do I qualify?

To be eligible, you must:

- be aged 60 years or over, no longer employed; **and**
  - have ended your employment after reaching age 60; **or**
  - have retired and do not intend to ever again be in paid employment for 10 or more hours per week.
- **Or**, be aged over 65 and have been a member of a KiwiSaver (and/or a complying superannuation) scheme for more than 5 years.

### Important information about your Australian-sourced Funds

- You may not withdraw your Australian-sourced Funds early to assist with the purchase of a first home or use your Australian-sourced Funds to count towards eligibility for a first home buyer's subsidy; and
- Member Tax Credits will not be payable on your Australian-sourced Funds; and
- Your Australian-sourced Funds cannot be transferred to a third country; and
- Any positive returns earned on your Australian-sourced Funds since transferring to the Westpac KiwiSaver Scheme will remain in your Westpac KiwiSaver Scheme account. Once you reach age 65 or have been a member of a KiwiSaver scheme for more than five years (whichever is later), you can complete the Westpac KiwiSaver Scheme Initial Retirement Withdrawal Form to withdraw these earnings.

- You'll only be able to make a full withdrawal or lump-sum withdrawals of your Australian-sourced Funds. There are no restrictions on the number of lump-sum withdrawals you can make.
