ZOMBIE INSTRUCTIONS CASH-TASTROPHE

ZOMBIES HAVE TAKEN OVER THE WORLD AS WE KNOW IT!

THERE ARE ONLY LIMITED TICKETS ONTO THE HELICOPTER OUT OF THE ZOMBIE INFESTED LAND, WHO WILL MAKE IT?

YOU HAVE THE CHOICE OF SAVING, BORROWING OR INVESTING TO BE THE FIRST TO REACH ENOUGH MONEY TO GET THE HELICOPTER TICKET. YOU MUST ALSO WATCH OUT FOR EVENTS SUCH AS ZOMBIE HORDES, FAMINES AND STORMS.

WHAT DECISIONS WILL YOU MAKE TO GET THROUGH THE ZOMBIE CRISIS?

TO PLAY

- You need water, food and shelter to survive each round.
- To get you started, there are no random events until round 3.
- You will get paid each round, but the pay won't always be the same as it will depend on the dice roll. To get started, the pay will be £4 for the first two rounds.
- You can buy items to protect yourself from random events that might occur or volatility of income. Wells, Greenhouses and Fortresses are permanent assets that will provide you with needs each round. Zombie survival kit and the rations pack are disposable items and will only protect you once.

TO WIN

The first player to get £50 with no debt will be able to buy the ticket onto the helicopter to escape the zombie takeover. Players are eliminated if they reach £30 debt.

START

INTEREST & FEES

- Interest is added onto savings and debt at 100% interest.
- A ~~1~~ fee is also added onto debt.
- No interest will occur on the first round.

ACCESS TO SAVINGS

- Players may now place money they have sitting in their wallet into their savings account.
- Players may now access money that is in their savings account.
- Once everyone has accessed their savings, there is no access until the next round.

EVENT

- Select a random event card and notify all the players of the event.
- There is no event for the first two rounds.

DICE ROLL

- Roll the die to determine the pay for the round and notify players of their pay.

GET PAID

SALARY / INVESTMENTS

- Pay yourself the money indicated from the dice roll.
- Players will not get paid if there is an event that injures them and they do not have any protection against injuries.
- If a player has any of the permanent assets they will now pay themselves the investment income for these.
- Investment income is always payable, no matter what the event is.

SHOP OPENS

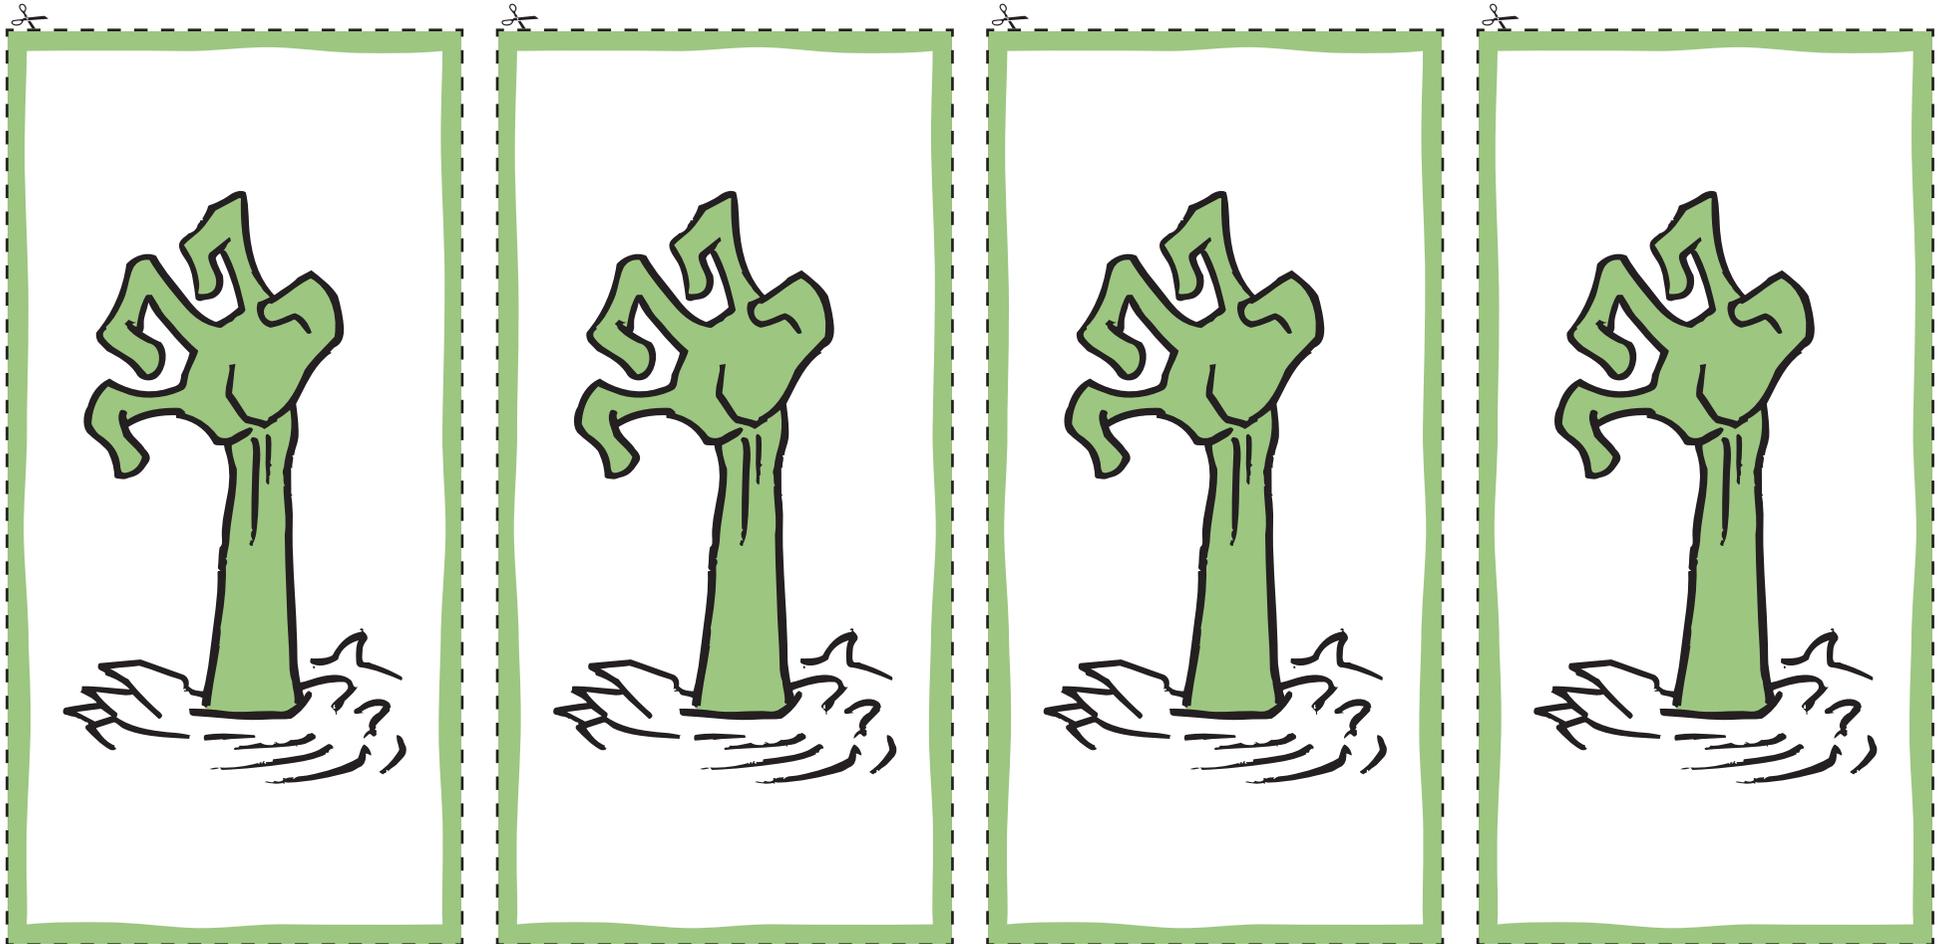

- Players will begin by paying for their needs.
- Players do not need to pay the needs they have the permanent assets for. However, players cannot buy the permanent assets to cover their need for that round.
- If a player cannot afford their needs, they will need to borrow money.
- To borrow money, players will turn over money and place onto the loan component of their player board.
- Players can purchase permanent assets or one-off use items.
- Any remaining money can sit in their "wallet" and may be used in the next round as they wish.
- There are no refunds.
