Helpful tips to reduce account costs

Westpac One

With online banking, access is free and you have control to pay your bills, view your balance and manage your finances.

If you are setting up an automatic payment it's free to load it using online banking. Online payments cost less than cheques so call your biller to see if you can pay them electronically.

Phone banking

If you use phone banking, try to limit the number of your monthly calls to ten or less. A service fee of 50c applies if you use this service more than ten times in the month.

EFTPOS

If you use EFTPOS a lot, try to do as much as you can at the same time; such as getting cash out when paying for your purchase, so you'll only get charged for one transaction.

Unused accounts

Consider closing accounts you don't use often. It's also one less thing you have to think about.

Multiple accounts

If you have multiple accounts, you can use Salary Splitter to have your salary split between these accounts. Some can be paid directly into your everyday transaction account and some into your savings account – reducing the cost of transferring money between your accounts.

Choosing the right account

Different accounts have different charges. See our personal bank account transaction fees table, or visit a branch and let us help you find the best one for you.

Who qualifies for fee exemptions?

Youth Accounts – Under 19

If you're under 19 you can have up to two Youth Accounts free of monthly maintenance and transaction fees[^] including an Electronic Account and selected savings accounts. Please see westpac.co.nz/youth-accounts for more details. Once you turn 19, fees will apply.

School Leavers and Graduates

If you're leaving school and heading into full-time employment, studying at a tertiary institution or as an apprentice, one of our School Leaver Pacs could be right for you! They're designed to help keep down the cost of everyday banking. If you're graduating, our Graduate Pac could be just what you need as you enter the work force. See westpac.co.nz/schoolleavers

Superannuitants

If you are receiving a NZ National Superannuation, UK Retirement Pension or NZ War Pension and it is paid into a nominated Westpac account you will not be charged the monthly maintenance and transaction fees.[^]

Relationship Rewarding

Relationship Rewarding recognises your total personal banking with us. This could be savings, investments, loans and transactional accounts. All you need is more than \$25,000 in total with us and you'll pay less when using the account.

[^] Note: Service fees outlined in this brochure will still apply.

Refer to the Fee exemptions section of the transaction table to see what account types you can choose from.
