0 %  
p.a.

Transfer your debt to a Westpac credit card and pay no interest for 12 months on balances transferred\*.

\*Balance transfer terms and conditions apply. See overleaf for full details.

## Pay no interest for 12 months on balances transferred\*

### Applying for a balance transfer.

It's easy to transfer your hire purchase, store card, credit card or personal loan balance from another financial provider to a Westpac credit card.

If you'd like to take up the 0% offer, simply apply by 10 May 2021\* by completing the form and posting it back to us.

### Transferring multiple balances.

You apply to transfer multiple balances within Westpac One® online banking, visit [westpac.co.nz/balance-transfer](https://westpac.co.nz/balance-transfer) or call us on **0800 888 111**.

### Things you need to know.

**New purchases** – to help pay down your balance transfer, try to avoid making purchases or cash advances with your card as these will be at the standard interest rates (as outlined in your card's Conditions of Use) until they are paid in full. To qualify for interest free days on purchases, the full outstanding balance on your card, including the balance transferred, will need to be paid in full.

**Repayments** – payments you make will first go to charges and interest accrued, then to cash advances and purchases, followed by balance transfers. You will pay less interest if you pay off more than the minimum repayment each month. Each month you need to make at least the minimum repayment.

\*For 0% p.a. balance transfer. After 12 months the standard purchase interest rate at that date (which may be higher than the current rate) will apply to transferred balances. Rate current as at 10 February 2021 and subject to change without notice. Westpac NZ reserves the right to extend the offer beyond the closing date. For full Balance Transfer Terms and Conditions please see the opposite page.

Westpac accepts no liability for late payment charges and any fees or charges related to your other account, including any costs to close that account.
- You can transfer up to 95% of your available credit card limit. Your card must remain within its credit limit after the balance has been transferred. Westpac's current credit card lending criteria apply to all applications and transfers, as well as the Westpac Conditions of Use for the applicable credit card.
- Balances may be transferred from New Zealand issued Visa, Mastercard, American Express (Centurion Finance) and Diners Club cards. Balances may also be transferred from other financial organisations at Westpac's discretion, including but not limited to hire purchase accounts, store cards, and personal loans from other banks. You must close any facilities indicated in this application as being repaid by the Balance Transfer. You cannot transfer a balance from a Westpac card or loan. You are responsible for any residual interest charges or late transaction fees.
- The balance transfer is subject to Westpac approval and Westpac has the right to refuse any transfers.
- By applying for this balance transfer, you acknowledge that if Westpac processes your balance transfer request before you sign or use your card or use any other payment instrument to access your account, the transfer will be subject to the credit card conditions of use for the applicable card.

- Interest will be charged on a daily basis from the date of transfer, where applicable.
