

Unincorporated group account

To help get you started and ensure you have a seamless experience with us, we need some information from you. We need to collect this information to help keep you secure, and to comply with the law. You can provide us with identification and proof of address in a number of different ways. In most cases you will need to bring the original documents into branch. Here are some of your options:

Who do we need information from?

When an unincorporated group sets up a new account (as either a new or existing customer), we need to collect information about the group **and** some individuals associated with the group. These individuals include:

- Any other individuals with control over the management of the group's affairs;
- Any individuals with a greater than 25% interest in the group's assets;
- Any persons acting on behalf of the society (such as those with signing authority or power of attorney).

Please bring your foreign tax identification number (TIN), if applicable. You may also need to bring the foreign tax information (including TIN) for the people mentioned above.

What do I need for proof of address?

- Correspondence from a government agency containing a unique reference (such as IRD number, Client File Number or Tenancy Bond reference number)
- OTHER** – if you are unable to provide any of the above, please contact us to discuss what other documents may be acceptable

Is there anything else I need to bring?

In some cases, we may need to ask you for more information before opening a new account. For example, we may need to check and verify the group's source of funds or wealth. Please contact us to check if there is anything additional you need to bring into your local branch.
