# Transaction and service fees.

---

Personal Banking.

As at 25 July 2018.

It's time.

# Helpful tips to reduce account costs.

---

## Choosing the right account.

Different accounts have different fees and charges, and some accounts will be more suited to your needs.

See the personal bank account transaction fees table at the back of this brochure for more information on fees for different accounts, or visit a branch and let us help you find the best one for you.

## Westpac One online banking.

With online banking, access is free and you have control to pay your bills, view your balance and manage your finances.

If you are setting up an automatic payment it's free to load it using online banking. Online payments cost less than cheques too, so call your biller to see if you can pay them electronically.

## Phone banking.

If you use phone banking, try to limit the number of your monthly calls to ten or less. A service fee of 50c applies if you use this service more than ten times in the month.

## Close unused accounts.

Consider closing accounts you don't use often, especially if you're being charged a monthly account fee to have them open.

# Who qualifies for fee exemptions?

---

## Under 19 year-olds.

If you're under 19 you can have up to two Youth Accounts free of monthly maintenance, paper statement and transaction fees<sup>^</sup> including a Westpac Everyday\*\* account and selected savings accounts. On the Westpac Everyday account, you won't be charged the paper statement fee or manual withdrawal fee\*. Please see [westpac.co.nz/youth-accounts](https://westpac.co.nz/youth-accounts) for more details. Once you turn 19, fees will apply.

## School Leavers and Graduates.

If you're leaving highschool and heading into full-time employment, studying at a tertiary institution or as an apprentice, one of our School Leaver Accounts could be right for you. If you're graduating, our Graduate Account could be just what you need as you enter the work force. On the Westpac Everyday account, you won't be charged the paper statement fee or manual withdrawal fee\*.

Each of these accounts is designed to help keep down the cost of everyday banking. See [westpac.co.nz/schoolleavers](https://westpac.co.nz/schoolleavers) and [westpac.co.nz/bank-accounts-transaction-accounts/graduate-account](https://westpac.co.nz/bank-accounts-transaction-accounts/graduate-account)

## Superannuitants.

If you have a Westpac Everyday account and you're 65 years and older, or you are receiving a NZ National Superannuation, UK Retirement Pension or NZ War Pension, you won't be charged a paper statement fee or manual withdrawal fees.\*

For all other accounts, where you're receiving a NZ National Superannuation, UK Retirement Pension or NZ War Pension and it's paid into that nominated Westpac account, you won't be charged the monthly maintenance and transaction fees.<sup>^</sup>

<sup>^</sup> Note: Service fees outlined in this brochure will still apply.
